### **ERNEST A. ODLAND**

Funeral services with military honors were conducted from the Paetznick Funeral Home for Ernest A. Odland of Minneapolis, who died on July 11 in the General hospital following a cerebral hemorrhage. He had been in failing health for many years as a result of war disability and had been confined for a time in the Veterans' hospital.

He was born near Meckling, S. D., on January 9, 1892, in a family of ten children, all of whom survive, except a brother, the late Victor Odland of this community.

Interment was in the soldiers' circle in the Groton cemetery, Monday afternoon. A large number of people from the Claremont community were in attendance as well as members of the local Legion post.
